

TITLE	CATEGORY	DURATION	NO. OF TRAINEES	VENUE	EXPECTED DATE
Short duration drought resistant/tolerant rice varieties	Farmer& farm women	1 day	25	Kendugupka	28.06.2022
Different methods of in -situ moisture conservation	Farmer& farm women	1 day	25	Dahal	07.07.2022
Stress mitigating chemicals	Farmer& farm women	1 day	25	Nagupala	15.07.2022
Recycling of agriculture waste	Farmer& farm women	1 day	25	Chicharla	28.07.2022
Significance of organic decomposer for organic waste digestion	Farmer& farm women	1 day	25	Burat	4.08.2022
Green manuring to retain soil moisture	Farmer& farm women	1 day	25	Ghumerguda	13.09.2022
Identification and characterization of major weeds in different land situations	Farmer& farm women	1 day	25	Khairbadi	21.09.2022
Major weeds and its management practices in Arhar	Farmer& farm women	1 day	25	Boria	26.10.2022
Calculation of herbicide doses and weed control efficiency and weed index	Farmer& farm women	1 day	25	Rengali	3.11.2022
Methods of herbicide application and spraying equipments	Farmer& farm women	1 day	25	Tentulipada	29.11.2022
Residual effect of herbicide in plant and environment	Farmer& farm women	1 day	25	Burat	5.12.2022
Weed management practices in transplanted rice	Farmer& farm women	1 day	25	Bindhaniguda	22.12.2022
Major weeds and its management practices in Maize	Farmer& farm women	1 day	25	Badachirang	27.01.2023
Training on Scientific cultivation of sweet corn	Farmer& farm women	1 day	25	Gananathpur	15.02.2023
Nipping and Spacing management in Arhar	Farmer& farm women	1 day	25	Badachirang	27.02.2023
Recent Varieties available in Mustard	Farmer& farm women	1 day	25	Bindhaniguda	03.03.2023
Integrated nutrient management in Greengram	Farmer& farm women	1 day	25	Tentulipada	10.03.2023
Protray nursery raising techniques for high value vegetable crops	Farmer& farm women	1 day	25	Tentulipada	23.06.2022
Nursery Management practices of grafted tomato	Farmer& farm women	1 day	25	Rengali	28.06.2022
Nursery raising of kharif onion and its management	Farmer& farm women	1 day	25	Khaing	13.07.2022
Intercultural practices of Banana	Farmer& farm women	1 day	25	Dhaner	27.07.2022
Propagation method of Guava	Farmer& farm women	1 day	25	Tahsir	05.08.2022
Bunch feeding management of Banana	Farmer& farm women	1 day	25	Boria	25.08.2022
Cultural management practices in marigold	Farmer& farm women	1 day	25	Burat	09.09.2022
Application of PGR in Mango	Farmer& farm women	1 day	25	Tentulipada	21.10.2022
Micronutrient application in pointed gourd	Farmer& farm women	1 day	25	Karme	04.11.2022
Foliar application of micronutrient in cole crops	Farmer& farm women	1 day	25	Dumal	19.11.2022
Weed management practices in onion	Farmer& farm women	1 day	25	Gandamer	25.11.2022
Propagation methods for Drumstick	Farmer& farm women	1 day	25	Bagpur	07.12.2022
Use of bio-fertilizer application in Bitter gourd	Farmer& farm women	1 day	25	Kendugupka	21.12.2022
Garden Implements used in Nursery	Farmer& farm women	1 day	25	Bindhaniguda	10.01.2023
Nursery management in cucurbitaceous crops	Farmer& farm women	1 day	25	Burat	03.02.2023
Planting method of Papaya	Farmer& farm women	1 day	25	Kanakpur	08.03.2023
Effect of Boron and Molybdenum in cucurbitaceous crops	Farmer& farm women	1 day	25	Badachirang	18.03.2023
Identification of major insect pest of rice and its management	Farmer& farm women	1 day	25	Dhaner	16.06.2022

cultural management of sheath blight disease in rice	Farmer& farm women	1 day	25	Karlamunda	31.06.2022
Cultural management of pest and diseases in groundnut in irrigated medium land condition	Farmer& farm women	1 day	25	Narla	21.07.2022
Time and Method of application of pesticide in rice crop	Farmer& farm women	1 day	25	Karlamunda	24.07.2022
Management of vector borne diseases in chilli	Farmer& farm women	1 day	25	Kendugupka	28.07.2022
Identification of major diseases in onion and its chemical management.	Farmer& farm women	1 day	25	Ulikupa	29.08.2022
Manipulation of cropping system to minimize wilt management in pulses and vegetables	Farmer& farm women	1 day	25	Kesinga/Tahsir	03.08.2022
Favorable climatic condition for production on onion and its related pest and diseases	Farmer& farm women	1 day	25	Ulikupa	17.08.2022
Use of traps for management of fruitflies in bittergourd	Farmer& farm women	1 day	25	Kendugupka	14.09.2022
Method of pesticide application for thrips management	Farmer& farm women	1 day	25	Kanakpur	16.09.2022
Appearance of pest and diseases of Pigeonpea as per crop calendar.	Farmer& farm women	1 day	25	Boria	02.07.2022
Identification of major diseases in rice during rabi and its cultural management	Farmer& farm women	1 day	25	Badadharapur	19.09.2022
Cultural practices for management of insect pest in vegetables during rabi	Farmer& farm women	1 day	25	Dumal	20.10.2022
Management of mealy bug and mite in marigold	Farmer& farm women	1 day	25	Karme	22.08.2022
Importance of biological methods to control pest and diseases.	Farmer& farm women	1 day	25	Matia	25.02.2023
Nematode management in solanaceous crops.	Farmer& farm women	1 day	25	Golamunda	17.09.2022
Effect of non-host rotational crops for management of root knot nematode	Farmer& farm women	1 day	25	Golamunda	02.09.2022
Management of perennial fodder cultivation on non competitive land	Farmer& farm women	1 day	25	Tentulipada	28.06.2022
Polythene based low cost silage preparation from green fodder	Farmer& farm women	1 day	25	Burat	7.07.2022
Feeding management in goat for better growth rate	Farmer& farm women	1 day	25	Rengali	15.07.2022
Management of worm infestation in goat	Farmer& farm women	1 day	25	Gananathpur	28.07.2022
Different breeds of chicken suitable for semi intensive rearing system	Farmer& farm women	1 day	25	Khairbadi	4.08.2022
Low cost hydroponics technology for green fodder production	Farmer& farm women	1 day	25	Tentulipada	13.09.2022
Balanced feeding of dairy cow for increased milk production	Farmer& farm women	1 day	25	Burat	21.09.2022
Management PPR and goat pox diseases in goat	Farmer& farm women	1 day	25	Rengali	26.10.2022
Vaccination and deworming schedule in poultry birds	Farmer& farm women	1 day	25	Badachirang	3.11.2022
Feeding of poultry birds from non conventional resources	Farmer& farm women	1 day	25	Temra	29.11.2022
Feeding management of duck in semi intensive rearing system	Farmer& farm women	1 day	25	Khaing	5.12.2022
Vaccination and deworming to prevent disease incidence in cattle	Farmer& farm women	1 day	25	Bindhaniguda	22.12.2022
Integrated fertility management in goat	Farmer& farm women	1 day	25	Karme	27.01.2023
Feeding management of pregnant doe for better kidding	Farmer& farm women	1 day	25	Badachirang	15.02.2023
Prevention and treatment of viral and bacterial infection in poultry birds	Farmer& farm women	1 day	25	Bindhaniguda	27.02.2023
Brooding management in duck to prevent high early mortality	Farmer& farm women	1 day	25	Gothbhata	03.03.2023
Scientific value addition in milk (making of paneer and khua from milk)	Farmer& farm women	1 day	25	Kanakpur	10.03.2023
Importance of crop diversification in upland areas for higher remunerative crops	Farmer& farm women	1 day	25	Tentulipada	22.07.2022
Water use efficiency and types of irrigation methods in different cropping system	Farmer& farm women	1 day	25	Rengali	25.08.2022
Suitable Integrated Farming system (IFS) models for small and marginal farmers	Farmer& farm women	1 day	25	Bindhaniguda	23.09.2022

Off-season vegetable cultivation for higher return	Farmer& farm women	1 day	25	Badachirang	19.10.2022
Cost reduction technologies in rice based farming system	Farmer& farm women	1 day	25	Dhaner	17.11.2022
Economic analysis of cultivation of high value low volume crops for higher income	Farmer& farm women	1 day	25	Burat	16.12.2022
Vermicomposting and benefits of vermicompost	Rural Youth	2 days	15	KVK, Training hall	04-05.08.2022
Rice based IFS in 1ha area	Rural Youth	2 days	15	KVK, Training hall	16-17.11.2022
Nursery raising techniques under low cost poly house	Rural Youth	2 days	15	KVK, Training hall	21-22.09.2022
Processing and value-added products of Tomato	Rural Youth	2 days	15	KVK, Training hall	25-26.01.2023
Methods of management of non- insect pests in different crops	Rural Youth	2 days	15	KVK, Training hall	12-13.10.2022
Management of major pests of cotton through biological method.	Rural Youth	2 days	15	KVK, Training hall	20-21.07.2022
low cost feed formulation available from local source for dairy farming	Rural Youth	2 days	15	KVK, Training hall	17-18.08.2022
Brooding management in poultry birds to prevent high mortality	Rural Youth	2 days	15	KVK, Training hall	13-14.10.2022
Training on Nutri-garden for household food security	Rural Youth	2 days	15	KVK, Training hall	21-22.07.2022
Training on small scale mushroom production unit	Rural Youth	3 days	15	KVK, Training hall	19-21.08.2022
Round the year income generation through Horticulture based farming system model	Rural Youth	3 days	15	KVK, Training hall	18-19-21.09.2022
Women friendly small farm tool and implements for drudgery reduction	Rural Youth	2 days	15	KVK, Training hall	15-16.10.2022
Scientific package of practices for seed production in Arhar	In-service	2 day	10	KVK, Training hall	15-16.09.2022
Classification of herbicide, formulation and their use	In-service	2 day	10	KVK, Training hall	21-22.12.2022
Different type of mulching in Fruit cultivation	In-service	2 day	10	KVK, Training hall	27-28.10.2022
Nursery management and Propagation techniques of fruit plants	In-service	2 day	10	KVK, Training hall	17-18.02.2023
Safe use of pesticides in vegetable crops.	In-service	2 day	10	KVK, Training hall	29-30.11.2022
Method of pesticide application and residual management	In-service	2 day	10	KVK, Training hall	08-09.02.2023
Artificial insemination in goat and its significance	Inservice	2 days	10	KVK, Training hall	05-07.09.2022
Assisted reproductive technologies for improvment of reproductive performance in dairy cow	Inservice	2 days	10	KVK, Training hall	13-14.01.2023
Training need assessment (TNA) for effective technology dissemination	In-service	2 day	10	KVK, Training hall	12-13.07.2022
Role of gender and signifiance of gender mainstreaming in agriculture	In-service	2 day	10	KVK, Training hall	17-18.08.2022
Responsibilities of FPOs in accelerating agricultural production and marketing	In-service	2 day	10	KVK, Training hall	14-15.09.2022
Role of extension professionals in process of agricultural development of farm families	In-service	2 day	10	KVK, Training hall	20-21.10.2022
Market-led challenges & opportunities in Agriculture Extension	In-service	2 day	10	KVK, Training hall	22-23.11.2022
